ORDER:-

In the reference read above, the Engineer-in-Chief (R&B) State Roads, has stated that Bayanapalli Payasamapalli (via) Erlapalli road is an important taken over road and it connects many no. of agriculturally potential villages namely Bayanapalli, Alidena, Alidena Obayapalli, Erlapalli, Payasampalli, etc. the total length of road is 11.40 km and the existing earthen road is in bad condition and sunken at many places. During the monsoon season, it is causing inconvenience not only to the vehicular traffic but also to the pedestrians. The agricultural products from near by villages have to be transported to the nearest market centers via this route only. If the road is developed to black top surface, it would benefit a lot to the farmers to mobilize the agricultural produce to near by markets like Kamalapuram, Kadapa, Proddatur, etc. Hence, it is necessary to black top the road to meet the traffic requirements. An amount of Rs.400.00 lakhs is required for taking up the proposed improvements. He has, therefore requested to accord Administrative Sanction for an amount of Rs.400.00 Lakhs for "Improvements to Bayanapalli-Payasampalli road (via) Erlapalli from Km 0/0 to 11/4 in YSR Kadapa District" under plan – MDR Scheme by making suitable additional provision in BE 2011-12.
